### Dry Net Policy

Due to the increase in Koi Herpesvirus (KHV) disease outbreaks, we are insisting all anglers ARRIVE at the fishery with dry nets, mats, slings & stink bags. Please do not use any equipment that is damp as the virus can survive for 24 hours & could infect the fishery.

### Junior Angling

Free fishing is available year round for juniors (aged 16 years & under) on Willows Pool.

Kingsbury Young Anglers meet every Wednesday throughout the school summer holidays.

Please phone 01827 872660 for more information or to book.

### Contests

Match fishing bookings are available on Swann, Causeway, Bodymoor Heath Water & Kingfisher Pools.

Other pools may be available by arrangement. Please phone 01827 872660 to check availability or to book.

### Coaching

We have registered L1 and L2 qualified Angling Coaches available for beginner level tuition to schools, community and corporate groups.

### Disabled angling

Gibsons, Cliff Pool South, Causeway, Mill & Pine Pools all have purpose built easily accessible pegs for disabled or less able anglers to use. You can park right next to most of these pegs.

Gibsons pool pegs are accessible via a gate with a RADAR key lock. Please lock the gate behind you & carefully drive around to the designated parking area.

We have a changing places accessible toilet at the Broomey Croft side of the park. This is in addition to the other standard accessible toilets near the main entrance.

**Please see the separate flyer for pricing, rules & regulations.**
